# Creating Your Professional Academic Identity through Your CV\*: A Beginner's Guide

\*(Curriculum Vitae)

**Thursday, February 23<sup>rd</sup>**  
**3:00-4:00PM**

Please come to an open discussion and strategy session to generate, revise, and/or rethink your CV, and to share ideas for doing so. GWC tutors will facilitate the session and provide examples and resources. Bring your resume or CV with you, if you have one.

Possible issues for you to raise:

- What are the differences between a resume and a CV? Do I need to have one of each?
- How can I highlight my contributions to my academic field?
- How might I use the CV to frame myself as a scholar?
- Which strategies might I use to balance my academic and professional work experience?
- Where do people "house" their CVs and keep them up to date?

**Open Writing Session—No Appointment Necessary!**
