

Proposal Writing

Mondays, February 8, 22, and 29
4:30-5:30 p.m.

- Learn techniques for breaking down your proposal into manageable parts.
- Make a work plan to use your time wisely and meet your proposal deadline.
- Identify ways to effectively collaborate with your advisor and/or colleagues.
- Discover resources to help you answer your own questions about the proposal's structure and style.
- Get it done! Brainstorm, outline, write, and revise your proposal in real-time.

Bring your proposal or any materials to start the proposal-writing process with you to use this session as an active workspace.
